OUR PRODUCT AND SERVICES

KITCHEN TOPS

Granite Kitchen Tops take a high quality kitchen to the next level visually and often become the centrepiece of the room. It is a natural stone that is both heat and scratch resistant. Whoever coined the phrase 'hard as rock' might have very well have been thinking of granite. Formed over millions of years from compressed molten rock under the Earth's surface, granite is extremely hard and durable. When used for Kitchen tops, its far superior to marble, synthetic and laminate, its also better-looking and has a luminous dimensional quality when polished.

TOMB STONES

Granite make an exceptional material for use in Headstones and memorials, due to its superior durability, classic aesthetic and versatility. The benefit of choosing granite for memorial headstones include the fact that, they last, it is a stone with unique aesthetic appeal, its a versatile material for etching, sandblasting and engraving, its ease to maintain, that is if it accumulates bird droppings, hard water, lichens, moss, or sap, it is easy to clean and restore.

COUNTERS

Granite counter tops makes your home stylish and welcoming for both family members and invited guest. The advantages of adding granite to your counters include, points like;

Granites counters add value to your kitchen, they are durable, for it is an earth friendly material that also retains its natural look. They resist bacteria and dirt because the surfaces are sealed with granites counter top is not porous, meaning things will not soak into it, your kitchen is less likely to be plagued by dirt, bacteria and other grime commonly found of counter tops and in kitchens. Granite counters outlast other materials and they are not a much of a purchase but an investment.

OUR PRODUCT AND SERVICES

TABLES

If you want to make a bold statement with timeless appeal, Granite dining tables are always showstoppers. While it is a big investment, it will last a life time. Your table will be always in fashion because its made of building materials dating to ancient civilizations who mined it long ago. Granite table tops make attractive alternatives to uninspired wood tabletops and offer natural beauty encased in a sturdier environment. The top last long, they are a artistic flare and versatility counts.

WINDOW SILLS

It is strong, lustrous surface can be used as a beautiful framing around a window creating a stunning and elegant space that will make an empty room look regal and elegant, especially when complementing white walls. A few benefits of granites window sills include, it hides stains, it reflects light, it's a perfect choice for contemporary look, they create a great accent colour for any room, and they serve as elegant window dressing.

FIRE PLACES

Granite can withstand higher temperatures, its durable and its visually appealing.
